

MENS BASKETBALL

The final game of round two took place at the hall last Wednesday with a match between Thunder Birds and Blue Birds. This game was inclined to be rather rough in patches, but on the whole it was a good, fast moving match. It finished with Thunder Birds the victor by eight points.

Also on this night the representative players for Palm Island, both A and B were selected. These men will receive special tuition, and in a short while they should be able to carry the good name of Palm Island into the new sphere of basketball.

At a quick meeting of the players it was decided to push the beginning of the third and final round forward by one week, that is we shall commence on Wednesday the 5th July.

SOME AUSTRALIAN BIRDS

Although various kinds of Penguins sometimes stray north to Tasmania and the southern coast of Australia, the Fairy Penguin--sometimes called Little Penguin--is the only one which is often seen in Australian waters and which lives and breeds on the coast and adjacent islands. It is remarkably swift in diving and swimming after its food. Its waddling gait on land and its
