

FOOTBALL.

Sunday 14th. July, 1963.

The Junior Match on Sunday was a most disappointing game, because neither Skipjack nor Brothers were able to field complete teams. As a result, Skipjack won a very scrappy game by 39 to 8. Much of the game was spoiled from a spectators point of view yet full credit must be given to Herb. Tanner who played practically the whole Skipjack team on his own, besides scoring Brothers eight points.

The Senior Game between Brothers and Skipjack was a brighter game but again Brothers had to call on Juniors to fill vacancies. This is the Premiership round, and surely the competition is worth seeing to the end. Skipjacks won 42 to 31. The lack of cover defence was largely responsible for the big scores. For Skipjack, Ron Powder scored 6 tries, Spencer Curley (2), and George Johnson and Alan Nugent one each. Conversions were kicked by Spencer Curley (2), David Mate Mate (2) Alan Nugent and Malcolm Ross.

For Brothers, Herb. Tanner playing his second game scored two tries. Johnny Jumbo scored twice, while Ron Hero, Arthur Hero, and Alec Tomachy scored 1 each. Ron Hero kicked 5 goals. Three conversions, and two penalties. Brothers won the scrums by 8 to 6, and penalties favoured brothers by 7 to 3.

Since official scores have been kept Ron Hero has scored 81 points for his team - a very fine record.

Said the Manager to the punch drunk fighter - "Now, when you get in there, you'll find a third man in the ring. He's known as the referee. You don't hit him. Do you understand? You don't hit him!"
