

YARRABINDA FOOTY COVERAGE

YARRBAH SEAHAWKS LEAGUE

The past few games before the finals have been real testers — especially against Brothers, which we lost though we got our morale back when we completely outclassed Ivanhoes at Parramatta Park by about 70 to 20. This is a great start before the coming finals 1 and 2 on the 25th of August at Parramatta Park. I hope the boys from Yarrabah are feeling good because they are going to play their old Grand Final nemesis, Brothers.

The only key to defeating the fish-eaters is fitness. We can beat them no trouble with our speed and class (not skiting). So boys, let's not disappoint our Yarrabah supporters this year. Forget about your little pleasures and train hard, and last but not most important, sleep early before the game.

Up the Seahawks in '85.

YARRBAH SEAHAWKS

Well boys, we are not far from the Grand Final and a few things have happened before it. We have beaten Mossman 44 to 4 on their home ground. This was easy, but it was not easy down at Babinda against Brothers, as we all found out.

We lost against Brothers, and it was mainly because of fitness. Come on fellows, we are not getting serious enough to win, whereas Brothers did. We'll probably meet them again, but before we do, let's get our act together even though the match was stopped seven minutes early and some unfairness was interfering with the game.

It was only a two point margin (14 to 12) and we can still prove we are the best B Grade side in the competition.

vs MAREEBA

Revenge is sweet, as they say — and the boys found out against Mareeba at Babinda. Some of the key players were missing then, but they still restored some Yarrabah pride by downing them 32 to 12.

ABORIGINAL WEEK CELEBRATIONS

The Yarrabah Community Council Library is celebrating Aborigines Week by displaying the most essential and well known aspects and implements of Aboriginal cultural life. Come in and see Aboriginal artefacts and drawings done and prepared by all the librarians, including Mrs Mary Shanahan.

Come in and help celebrate your most important week: "Aborigines Week 1985".

ABORIGINAL ARTEFACTS DISPLAY

Come into the Yarrabah Library and enjoy the wonderful display. Our theme for July and August is Aborigines. We have a variety of different Aboriginal artefacts donated by members of our community. As the librarian of our local library I would like to thank Mr

and Mrs Fourmile, Alice Harris, and Mrs J. Murgha for donating their goods.

The library also has an excellent choice of books on all levels and subjects.

We have almost completed our Library Skills Course. I would like to wish Nadine Richards, Alice Harris and Donna Maloney all the best for the future and hope they learnt a lot out of their training. On behalf of myself and the girls we really would like to thank Mrs Mary Shanahan who took her time in coming over three days a week to train us. We sure learnt a lot and it has been great working with you. Thanks Mary.

Come in today and become a member. The library is free. If you do not care for a book, come anyway to see our display.

Verna Andrews (former librarian)

HOUSING DEVELOPMENT AT YARRABAH 1985

These new, fibro kit homes are being erected (some are already up) by the D.C.S. carpenters, and will soon have new tenants. These are only some of the new houses being built at Yarrabah: more are still to be constructed.

Y. News, Vol 12, August 1985, p-8
