

# YARRABINDA FOOTY COVERAGE

## SEAHAWKS WIN AGAIN

We are still on top of the B Grade points table after beating Atherton at Babinda by 38 — 6. Everyone turned in a great performance, especially Ruben Ambrym, Johnno Harris, Les Murgha and Sam Bann, who all played with sheer determination. It was good to see Father Wayne and Dickie back on the field. We have no details of the try scorers because there were so many of them.

Let's stay on top until the finals, boys. Some teams are starting to come back. So let's all turn up for training sessions, and get over all your injuries.

Congratulation to all the Yarrabah players in the U 18 side for their crushing defeat of Atherton. They probably scored most of the points. Try and beat other teams like that next time.

We see David Lillley has hit the headlines on the back of "Post Sport". At last our local boy is getting some publicity. "Keep it up Lillley."

See at right, the section from the "Post Sport, Monday 17th June, 1985", taken from the Cairns Post:

## LILLEY STARS IN COLT'S HOME WIN

*By staff reporter BRIAN BOLTON*

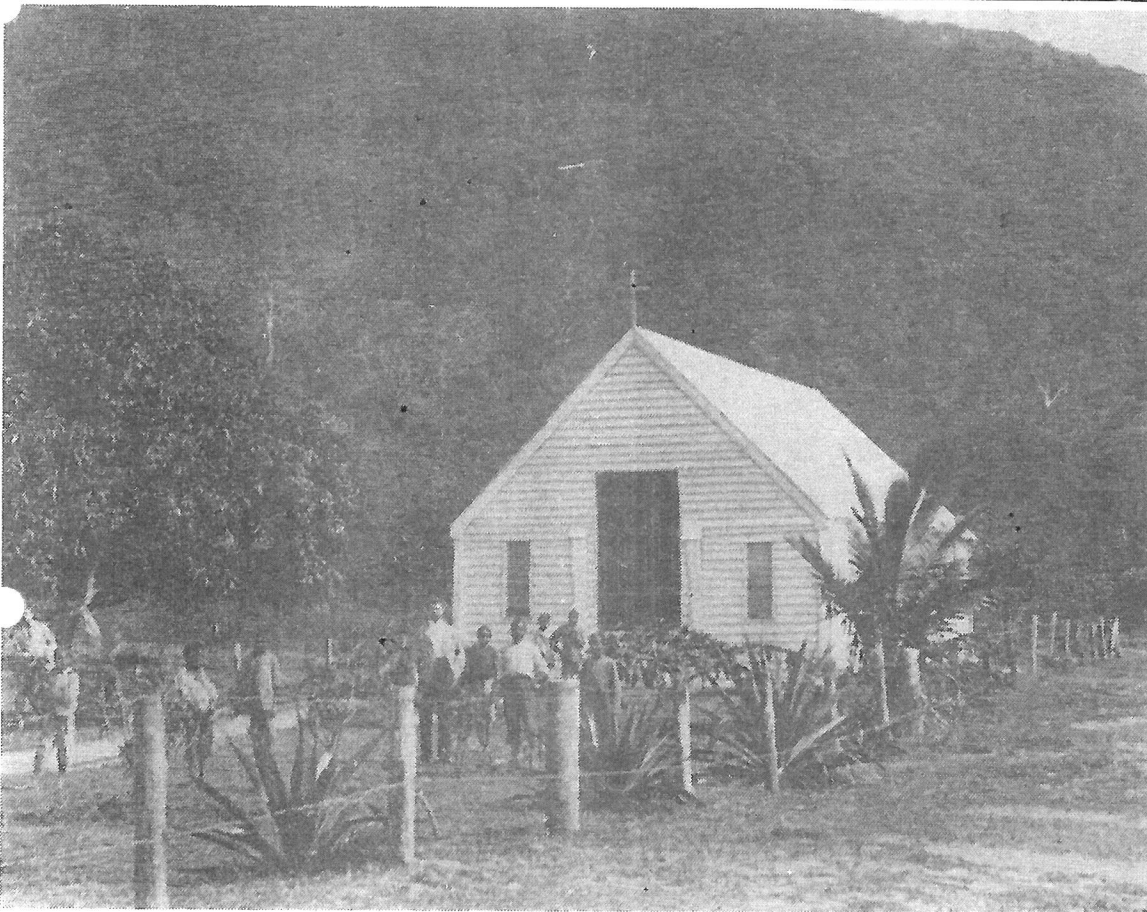

Babinda were fully extended at home on Saturday night by Atherton in one of the closest and for the Colts, harrowing results in the Cairns District Rugby League competition this year.

In a great game, the Roosters applied the pressure to the premiership pace-setters, but went down 26 — 22.

Once again Babinda were well served, if not saved, by winger David Lillley, who continues to impress with his consistent form. Lillley, who has a penchant for scoring tries in bunches, gorged himself with four and took out the man of the match award.

vs SUBURBS

After being hit with injuries to our key players, the Seahawks played with a slightly altered side, but they came home with a 32 — 22 win over Suburbs at Alley Park. The game saw a lot of mistakes from most of our players, but in the second half, a lot of talking settled play down to get a comfortable 10 point victory. Hilton Bulmer, U 19 Cairns Representative helped himself to two tries.
