

SCHOOL SPORTS.

Cups were presented to the teams having the highest average aggregate points for the Sports Day held on the 9:6:65. That is to say, the total points gained by any team was divided by the number of children in the team. The team having the highest average points received a Silver Cup trophy.

To encourage children overage and those attending Secondary school to participate in the Sports, Mr. Bartlam donated two(2) shields one for the boys and the other for the girls. This was for the team which gained the highest average aggregate points.

The following were the trophy winners:-
