

Ingham Footballers Visit continued:

which was converted by Harry Johnson. He played a very good game throughout. Other outstanding players in the backs were Carl Wyles and Clive Julian who also scored two tries. In the forwards Walter Palm Island, Thomas Coia and Harry Johnson were outstanding for their play.

Seven tries were scored of which five were converted.

Our visitors were not so fortunate as they only secured three tries of which two were converted, M. Ryan opening up the score for our visitors. At one minute before full-time the visitors secured a penalty kick which was taken by H. Molloy, thus bringing their total to 15 while Palm Island's score was 31.

At the conclusion of the match the visitors were entertained to tea before setting out on their homeward journey.

All agreed a very happy time had been spent and our visitors expressed their sincere thanks for the able way they had been received and cared for throughout. They also expressed their thanks to the Superintendent for having made this visit possible and said they hoped to be able to visit us again next football season.

#### FISHING NEWS.

Good catches of fish were reported last week end. Mr Newton landed two beautiful kind fish the one turning the scales at 40lbs and the other at 60lbs.

The Ingham visitors reported catching a couple of smaller kingfish on their way over to Palms on Sunday from Lucinda.

It is hoped fine weather will prevail for a while to enable our locals to do a spot of fishing again.
